

ROCKEЯ

ROCKER

Rocker has a simple vision: to gently rock between day and night, summer and winter, coffee and cocktails, thongs and heels, cafe and bar, all-day menu and 3-course dinner.

We're a team of young passionate industry professionals who share the love of food, wine and surfing. Evolving all by the ocean, we thrive on finding the best local products and creating a relaxed environment for everyone to enjoy.

Rocker both respects and reflects the rhythms of its local community and seasonal, local produce. The creative, produce-led menu is local, authentic, seasonal, waste-free and as ethical as possible.

Coastal, wholesome, tasty and a bit of fun, our menu has a European feel with a focus on the very best that's coming from the sea and land at the time. As such, our team are always mixing things up and getting creative with local ingredients, while keeping a few favourites on the menu all year round.

In October 2017, Rocker was recognised with a chef's hat by Good Food and in December 2017, came in at No. 56 in Delicious 100 Most Delicious Restaurants in 2017.
